

# Wakefield Community Hub

*Our place, our future*

## Bar

For functions and events, with on-site chiller

## Function & Performance space

Large multipurpose space which doubles as a function room and performing arts venue. Will feature quality lighting and sound, ideal for weddings, events, seminars and performances.

## Kitchen

With quality commercial grade equipment suitable for functions, events & private hire

## Sports hall

Full size indoor basketball court creates endless indoor sporting opportunities for community and local sporting codes.

## Fitness suite

A membership based weights & cardio gym for local fitness lovers. Would feature after hours access and be an essential revenue stream for the hub.

*\*Not actual design*

## Meeting room

Large meeting room that doubles as a co-working space during set hours.

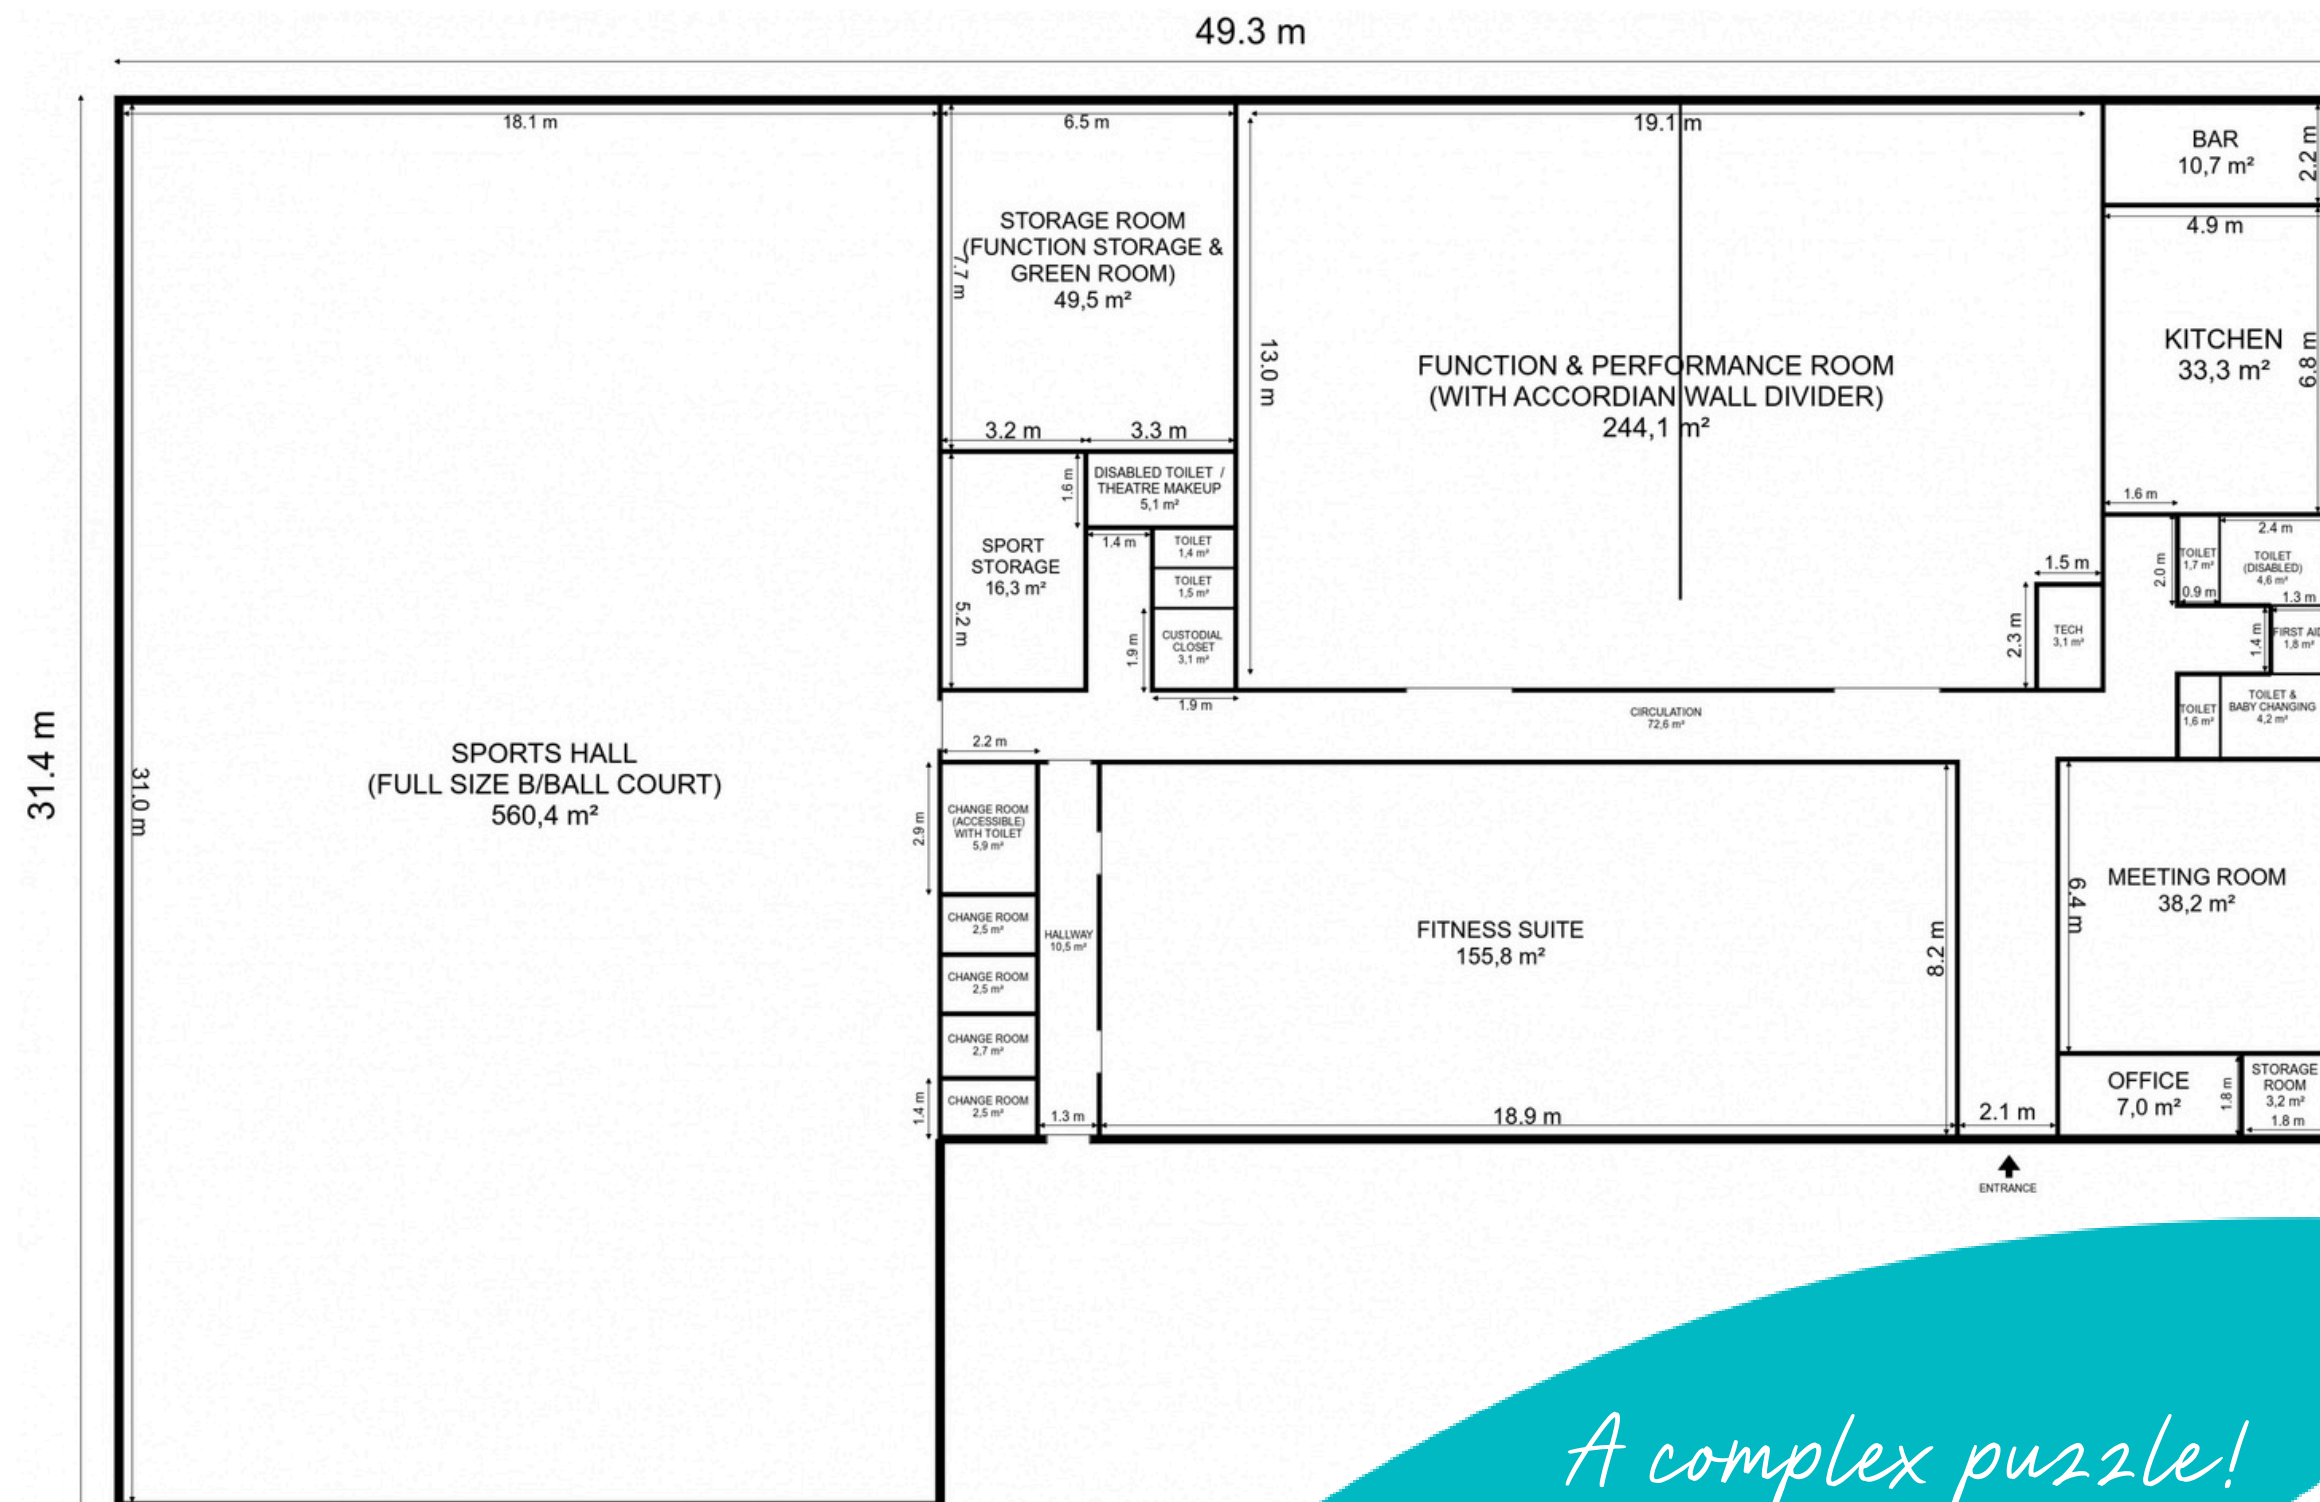

## Storage

Carefully considered storage for facility equipment, tables/chairs & sports equipment.

# The design phase

*currently a work in progress....*

Here's one of our recent 1300sqm draft concepts (it's not a final design). The Hub design team have been busy prioritising key room sizes, optimising layouts and discovering exactly what will/won't fit into the footprint!

*A complex puzzle!*

# The Hub Location

*Wakefield recreation reserve*
